Psychotic Reaction

Trouble

See the man standing in the rain
Must be waiting for the train
All the people they stop and stare
But there's nobody therePsychotic reaction
Hell in disguise
Psychotic reaction
The old man diesHearing words of things unspoken
The telephone is broken
All the people waiting in a line
Can you spare the timePsychotic reaction
Hell in disguise
Psychotic reaction
The old man diesSee the man living in a tree
Hang a sign on me
Bad news on the doorstep yesterday
Won't you come out to playPsychotic reaction
Hell in disguise
Psychotic reaction
The old man dies
