

# Yes

## Saigon

She moved into my old apartment  
That's how we got this whole thing started  
She called and said that I had mail waiting there for me  
I told her that I'd come and get it  
How could I know in just a minute  
That I'd be standing face to face with my own destiny  
Oh, and we sat there talkin' just like we were old friends  
Oh, then I ask her can I see you again

She said, 'Yes?  
'N I said wow  
I said how about right now  
Love can't wait  
'N I asked if she believed in fate  
And she said, 'Yes?

The days flew by like a fast train  
Nothin' else has been on my brain  
Except the thought of how she makes me the man I want to be  
She's the one I want for a million reasons  
And loving her is just like breathin'  
It's easy and it's obvious she was made for me  
Oh, then it happened one night lookin' into her eyes  
And when I popped the question much to my surprise

She said, 'Yes?  
'N I said wow  
I said how about right now  
Love can't wait  
'N I asked if she believed in fate  
And she said, 'Yes?

So I called the preacher, family, and friends  
And nothin's been the same since

She said, 'Yes?  
'N I said wow  
I said how about right now  
Love can't wait  
'N I asked if she believed in fate

And she said, "Yes?"
