Goin' Crazy

Ashley Tisdale

Something about your style got me freakin' out
Hey boy, hey boy
Gotta make you mine and there ain't no doubt
Hey boy, hey boyYou're really laid back and you play it smooth
Hey boy, hey boy
I see the way you move from across the room
And I know I'm trippin' on youBoy, I'm feeling something real and
I don't know what to do
So excited, I can't hide it
Got my eyes on youYou've got me goin' crazy
Wanna be your baby
I don't know what to do
I can't take my eyes off youYou've got me goin' crazy
It's just the way you're movin'
I really wish you knew what you do
I can't take my eyes off youYou're so sensational, I think you've got it all
Hey boy, hey boy
And I like the way you're unpredictable
Hey boy, hey boyWon't you come to me just like I wished?
Hey boy, hey boy
'Cause I never met a guy who made me feel like this
It's a chance that I just can't missBoy, I'm feelin' something real and
I don't know what to do
So excited, I can't hide it
Got my eyes on youYou've got me goin' crazy
Wanna be your baby
I don't know what to do
I can't take my eyes off youYou've got me goin' crazy
It's just the way you're movin'
I really wish you knew what you do
I can't take my eyes off youGot me losin' my mind
Boy, wish you were mine
Why don't you send me a sign?I've been losin' my sleep
I think I'm fallin' too deep
Don't know what it is you do to me
What you do to meYou've got me goin' crazy
Wanna be your baby
I don't know what to do
I can't take my eyes off youYou've got me goin' crazy

It's just the way you're movin'
I really wish you knew what you do
I can't take my eyes off youGoin' crazy
Wanna be your baby
I don't know what to do
I can't take my eyes off youYou've got me goin' crazy
It's just the way you're movin'
I really wish you knew what you do
I can't take my eyes off you
