

You Gave Me Hope (Bonus)

[Wess Morgan](#)

I was so pressed and pulled on every side
I couldn't get no rest and couldn't see no end in sight
I needed God to pull me through, someone to show me what to do tired of being blue yeah, yeah ummmm.....
Circumstances fill my life with such regrets
and every time I turn around tryina get my feet back on the ground
Many tears I had to cry sometimes it felt like I could die
Somebody tell me why Lord you gave me hopeChorus
lord, you gave me joy
In the midst of the storm, when my life was broken and torn
You wiped away the tears, and my life will never be the same
I wanna thank you lord, thank you for a brand new dayBridge
I can take the storm, the rain, the hurt, the pain (4xs)
Cause you gave me hope, lord you gave me joy
Right in the midst of the storm when my life was broken and torn
You wiped away the pain, and my life will never be the same
I wanna thank you lord, thank you for a brand new day (3xs)
