Ham

Lil Dicky

Got a gang a' gang a' girls and we're going going ham
Boppin' through this bitch like I'm the man
And I said good got damn we're going, going, going ham
Good got damn we're going, going, going ham

Got a gang a' gang a' girls and we're going going ham
Boppin' through this bitch like I'm the man
And I said good got damn we're going, going, going ham
Good got damn we're going, going, going ham

Going ham, going ham, going ham
Going ham, going ham, going ham

Got that old money flow, that Anna Nicole
Just hopped out a cake, bitch I'm Marilyn Monroe
Co Co Loco, by the end of the night
Splash that venom with sprite
Yea, that's that shit that we like
This that Audrey Hepburn Hollywood left turn
Smashing on them bunnies that be rollin' with Heffner
Mm, my intern you wanna be my intern, (Bitch) you my intern

Got a gang a' gang a' girls and we're going going ham
Boppin' through this bitch like I'm the man
And I said good got damn we're going, going, going ham
Good got damn we're going, going, going ham

Going ham, going ham, going ham
Going ham, going ham, going ham, going (Ham)

(Twerk)
(Twerk)

(Damn) Got that cake on my plate
Grape in my drank
Your chick in my face
Bitch I'm Benjamin J
Old coop new money ice cream blue bunny
I'm addicted to hundreds, under fifty is funny
I do this, super chill no Buddhist

Laid back I'm strapped top way back like Otis
I'm with a gang of girls say they down like the flow is
So you already know it you should blow this

Got a gang a' gang a' girls and we're going going ham
Boppin' through this bitch like I'm the man
And I said good got damn we're going, going, going ham
Good got damn we're going, going, going ham

Going ham, going ham, going ham
Going ham, going ham, going ham, going (Ham)

(Twerk)
(Damn)
(Twerk)
(Damn)

Strippers love to dance, yea I love to watch
Warren Buffet in my hands, bet them bands will make her drop
More ham less talk, rollin' Mario Kart
OCD I'm ODB that's purple rain in the cup
This that Audrey Hepburn Hollywood left turn
Smashing on them bunnies that be rollin' with Heffner
Mm, my intern you wanna be my intern, (Bitch) you my intern

Ham, ham, going ham
