I Ain't Feelin You

Coko

Dark child, Coko
Millennium, let's go, uh
Don't you want it fast, uh
Let me see you danceCome on
Don't you want it fast?
Check it out, check it out
Check it out, uh, uh, uh, come onYou keep sweatin' me, why can't you see?
I ain't feeling you no more
Save those sad songs, boy you did me wrong
I ain't feeling you no moreYou keep messing me about everything
All you wanna do is fight
If you wonder why I'm not feeling you
You should know the reason whyYou had your chance, chance to be the man
You chose to be the boy
You'll be here sitting all alone
And I'll be moving onYou keep sweatin' me, why can't you see?
I ain't feeling you no more
Save those sad songs, boy you did me wrong
I ain't feeling you no moreI can't keep going through this everyday
Why can't you just stay away?
Can't believe the pain that you've put me through
Why, I'd ever get with you, whoa?You had your time
Time to be with me
(You)
You couldn't get it right
I'm not feeling you
It's you, I choose to lose
'Cause I won't be a foolYou keep sweatin' me, why can't you see?
I ain't feeling you no more
Save those sad songs, boy you did me wrong
I ain't feeling you no moreYou keep sweatin' me, why can't you see?
I ain't feeling you no more
Save those sad songs, boy you did me wrong
I ain't feeling you no moreYou keep sweatin' me, why can't you see?
I ain't feeling you no more
Save those sad songs, boy you did me wrong
I ain't feeling you no moreNo more, I'm not feeling you
No more, I'm not feeling you
Not feeling you no moreNo more, I'm not feeling you

No more, I'm not feeling you
Not feeling you no more
