

Prince Charming

Harry Gregson-Williams

Prince Charming can you rescue me?

Are you real?

Can you make me feel, feel unreal?

Prince Charming

Oh yeah oh ah oh

Prince Charming

Rides a great white horse, not a Greyhound bus

He's a gentleman, not a hip-hop thug

See him in my dreams, hate when I wake up

Still holding on, people think I'm nuts but

But soon he'll come and call for me

And take me from reality

Prince Charming can you rescue me

Are you real?

Can you make me feel, feel unreal?

Prince Charming, I believe in you

Fairy tails can come true

So I will wait for you

Prince Charming

Oh yeah oh ah oh

Tell me how I'll know

Does he wear a crown?

Haven't found him yet

Must be out of town

Heart made of gold

Body like a rock

Likes to serenade

Maybe even smart

And I will wait with just one kiss

The poison soon right from my lips

Prince Charming can you rescue me?

Are you real?

Can you make me feel, feel unreal?

Prince Charming, I believe in you

Fairy tails can come true

So I will wait for

Prince Charming can you rescue me?

Are you real?

Can you make me feel, feel unreal?

Prince Charming, I believe in you
Fairy tails can come true
So I will wait for you
I will wait for you
Oh yeah oh ah oh
You
Oh yeah oh ah oh
You
Prince Charming
Oh yeah oh ah oh
Ooh ohh
Oh yeah oh ah oh
Can you rescue me, Prince Charming
Ooh, can you rescue me?
Ohh
Can you rescue, can you rescue, can you rescue me?
Can you rescue me, Prince Charming
Ooh, can you rescue me?
Ohh
Can you rescue, can you rescue, can you, can you, can you, can you?
Prince William, where you at, where you at?
Matt Damon, where you at, where you at?
Kobe Bry, where you at, where you at?
Romeo, say where you at, where you at?
Romeo, say where you at, where you at?
Leo DiCaprio, where you at, where you at?
Sisqo, where you at, where you at?
Romeo, say where you at, where you at?
Prince Charming can you rescue me?
Are you real?
Can you make me feel, feel unreal?
Prince Charming I believe in you
Fairy tales can come true
So I will wait for you
Prince Charming can you rescue me?
Are you real?
Can you make me feel, feel unreal?
Prince Charming I believe in you
Fairy tales can come true
So I will wait for you
Romeo, Romeo, where you at, where you at?
Romeo, Romeo, where you at, where you at?
Romeo, Romeo, where you go?
Prince Charming I believe in you
So I will wait for you

Prince Charming can you rescue me?

Are you real?

Can you make me feel, feel unreal?

Prince Charming I believe in you

Fairy tales can come true

So I will wait for

Prince Charming can you rescue me?

Are you real?

Can you make me feel, feel unreal?

Prince Charming I believe in you

Fairy tales can come true

So I will wait for you
