

# Machiavellism

## Dir En Grey

My comeuppance and your ignorance  
Lyrical show time  
Full of ability, it's the blood red show time, show time  
Comical show time  
Inflammation of vitality, it's the blood red show time  
Cynical show time  
Reality comes to life, it's the blood red show time  
Show time  
Radical show time  
Eternity breaks, it's the blood red show time  
That's right  
I still can't find the meaning of my existence  
That's why I slice the meaning on my body more  
And more and more and more and more  
Go ahead and just laugh and just walk away  
The voices of backstabbers still sick to me  
Someday maybe, maybe, maybe, maybe  
Maybe the voice will be heard straight to my heart  
Go ahead and just laugh and break away

Hurry up, hurry up, wrist cut show  
Hurry up, hurry up, wrist cut show  
No, thank you, no, thank you, good bye  
Hurry up, hurry up, wrist cut show  
Hurry up, hurry up, wrist cut show  
It's better then to not even notice it  
My comeuppance and your ignorance  
That's all I know about it  
(Go ahead)

Hurry up, hurry up, wrist cut show  
Hurry up, hurry up, wrist cut show  
No, thank you, no, thank you, good bye  
Hurry up, hurry up, wrist cut show  
Hurry up, hurry up, wrist cut show  
Show time, it's non of my business, hehehe  
That's all I know about it  
(Go ahead)  
Please come to the last gasp with me  
(My pleasure)
