Chloe Dancer Crown Of Thorns

Mother Love Bone

Chloe don't know better
Chloe is just like me, only beautiful
A couple of years' difference
But those lessons never learned
Did you know?Chloe does the tables in the French Quarter
She's always been given
So I can't always make her laugh
But I'm proud to say
And I won't forgetThe time spent layin' by her side
The time spent layin' by her side
Dreams like this must die
And a dream like this must die
Dream like this mustYou ever heard the story of Mr. Faded Glory?
Say he who rides a pony must someday fall
Talkin' to my altar, say life is what you make it
And if you make it death well rest your soul away
Away, away, yeah, childIt's a broken kind of feelin', she'd have to tie me to the ceilin'
A bad moon's a comin', better say your prayers, child
I wanna tell you that I love you but does it really matter you?
I just can't stand to see you draggin' down again, again
My baby again, oh, yeahSo I'm singin'
And this is my kinda love
It's the kind that moves on
It's the kind that leaves me alone
Yes, it doesAnd this is my kinda love
It's the kind that moves on
It's the kind that leaves me aloneI used to treat you like a lady, now you're a substitute teacher
This bottle's not a pretty, not a pretty sight
I owe the man some money, so I'm turnin' over honey
You see, Mr. Faded Glory is once again doin' time, oh yeahAnd this is my kinda love
It's the kind that moves on
It's the kind the leaves me alone
Yes, it doesAnd this is my kinda love
It's the kind that moves on
It's the kind that, it's the kind that, it leaves me alone, yeahLike a crown of thorns
It's all who you know, yeah
So don't burn your bridges woman
'Cause someday, yeahKick it, oh yeahAnd this is my kinda love
It's the kind that moves on

It's the kind that leaves me alone, yeahThis is my kinda love
It's the kind that moves on
It's the kind that, it's the kind that, yeah, yeahBaby, I said com' on, com' on, com' on
Com' on yeah
I said baby
Don't burn your bridges woman
Don't come back here
I said good times
I said tu tu tu
