

# So Many Stars

Natalie Cole

The dark is filled with dreams  
So many dreams, which one is mine?  
One must be right for me Which dream of all the dreams?  
When there's a dream for every star  
And there are oh, so many stars, so many stars The wind is filled with songs  
So many songs, which one is mine?  
One must be right for me Which song of all the songs  
When there's a song for every star  
And there are oh, so many stars, so many stars Along the countless days, the endless nights  
That I have searched so many eyes  
So many hearts, so many smiles Which one to choose, which way to go?  
How can I tell, how will I know, out of, oh  
So many stars, so many stars? Yes, the wind is filled with songs  
So many songs, which one is mine?  
One must be right for me Which song of all the songs  
When there's a song for every star  
And there are oh, so many stars, so many stars Along the countless days, the endless nights  
That I have searched so many eyes  
So many hearts, so many smiles Which one to choose, which way to go  
How can I tell, how will I know, out of, oh  
So many stars, so many stars So many stars, oh, so many stars  
So many stars, oh, there are so many stars  
Lots and lots of stars  
Oh so many oh, so many, many  
So many, many stars  
So many stars, so many stars
