The Sweetest Taboo

Sad

If I tell you
If I tell you now
Will you keep on
Will you keep on lovin' me?
If I tell you
If I tell you how I feel
Will you keep bringin' out the best in me?
You give me, you give me the sweetest taboo
You give me, you're giving me the sweetest taboo
Too good for me
There's a quiet storm
And it never felt like this before
There's a quiet storm that is you
There's a quiet storm
And it never felt this hot before
Giving me something that's taboo
(Sometimes I think you're just too good for me)
You give me the sweetest taboo
That's why I'm in love with you
(With you)
You give me the sweetest taboo
Too good for me
(Sometimes I think you're just too good for me)
I'd do anything for you, I'd stand out in the rain
Anything you want me to do, don't let it slip away
There's a quiet storm and it never felt like this before
There's a quiet storm, I think it's you
There's a quiet storm and I never felt this hot before
Givin' me somethin' that's taboo
You give me the sweetest taboo
(You give me, you give me the)
That's why I'm in love with you
(With you)
You give me, keep giving me the sweetest taboo
Too good for me
You've got the biggest heart
Sometimes I think you're just too good for me
Every day is Christmas, and every night is New Year's Eve
Will you keep on loving me?

Will you keep on, will you keep on
Bringing out the best in me?
