

# Tonight I Celebrate My Love

Peabo Bryson

Tonight, I celebrate my love for you  
It seems the natural thing to do  
Tonight, no one's gonna find us  
We'll leave the world behind us  
When I make love to you Tonight, I celebrate my love for you  
And hope, that deep inside you'll feel it too  
Tonight, our spirits will be climbing  
To a sky lit up with diamonds  
When I make love to you, tonight Tonight, I celebrate my love for you  
And that midnight sun is gonna come shining through  
Tonight, there'll be no distance between us  
What I want most to do is to get close to you, tonight Tonight, I celebrate my love for you  
And soon, this old world will seem brand new  
Tonight, we will both discover  
How friends turn into lovers, when I make love to you Tonight, I celebrate my love for you  
And that midnight sun is gonna come shining through  
Tonight, there'll be no distance between us  
What I want most to do is to get close to you Tonight, I celebrate my love for you  
Tonight
