

All I Want for Christmas Is You

The 88

All I want for Christmas is you
And All I want for Christmas is you
There's just one thing I wanna see
That's you there under the tree
Honey, all I want for Christmas is you Well all these silent nights I do not need 'em
And I wish those jingle bells just would ring
And the Christmas lights are bright but I cannot see 'em
'Cause without you here that sure don't mean a thing And all I want for Christmas is you
And All I want for Christmas is you
There's just one thing I wanna see
That's you there under the tree
Honey, all I want for Christmas is you You can keep your bags of toys
For those little girls and boys
'Cause there's things I can't enjoy without you
Honey, it's true, yes And, all I want for Christmas is you
And All I want for Christmas is you
There's just one thing I wanna see
That's you there under the tree
Honey, all I want for Christmas is you Yeh, it's you
All I want is you
