Boyz

Saucy Monky

Na na na
Boyz there, how many?
Boyz there, how many?
Na na na
Boyz there, how many?
Boyz there, how many?
Na na na
Boyz there, how many?
Boyz there, how many?
Na na na
Boyz there, how many?
Boyz there, how many?
How many tequilas in the place?
How many beers are in the case?
Boyz there, how many?
Boyz there, how many?
How many dutty wine swing it away?
How many shots without a chase?
Boyz there, how many?
Boyz there, how many?
How many mash up and in a haze?
How many wacky dip fall on their head?
Boyz there, how many?
Boyz there, how many?
How many, no money boyz are crazy?
How many boyz are raw?
How many, no money boyz are rowdy?
How many start a war?
How many, no money boyz are crazy?
How many boyz are raw?
How many, no money boyz are rowdy?
How many start a war?
Hey, now, let me go, hey now
Can we go ridin' up a dirty track up in Laventille?
Will you, show me before I make it back somewhere I can chill?
Hey, now, let me go, hey now
Can we go ridin' up on motorbikes up to Sugar Hill?
Cooking chicken on the wall with the system up on full
What we do now?

Duppa bounce
Dem der
Duppa bounce
What we do now?
Duppa bounce
Dem der
Duppa bounce
What we do now?
Duppa bounce
Dem der
Duppa bounce
What we do now?
Duppa bounce
Dem der
Duppa bounce
Oh gosh, it's the new warlord
Na na na
Boyz there, how many?
Boyz there, how many?
Na na na
Boyz there, how many?
Boyz there, how many?
How many, no money boyz are crazy?
How many boyz are raw?
How many, no money boyz are rowdy?
How many start a war?
How many, no money boyz are crazy?
How many boyz are raw?
How many, no money boyz are rowdy?
How many start a war?
Oh gosh, it's the new warlord
