We Dance

Cat Power

(pavement)There are no castrations here In a chair you will be with meWe dance, we dance No-one will dance With usJump, jump, sing ... They got some brazilian nuts For your engagements Check that expiration date, man It's later than you thinkYou can enjoy yourself I can enjoy myself You can enjoy yourself I can enjoy myselfMaybe we could dance together Maybe we could dance together But you know no-one will dance with us You know no-one dares to dance with usThis time I see you There will be Fine times for ever And you'll never get lost
