Sugar Babe (Re-Recorded)

Buster Brown

Sugar babe, Sugar baby
Please say you'll be mine
Sugar babe, Sugar baby
Please say that you'll be mineEvery time I see you
Cold chills run down my spineSugar babe, Sugar baby
Really knocks me off my feet
Sugar babe, Sugar baby
Really knocks me off my feetI love the way you twist when
You're strolling down the streetWell, Sugar baby
Please show me a sign
Sugar baby, come on
Show me a signCome on, Sugar baby
Place your lips to mine
YeahOh, Sugar baby
Come on, show me a sign
Oh, Sugar baby
Come on, show me a signCome on, Sugar baby
And place your lips to mine
Yeah
