

Cherish

Ballet School

Calling out your name
Heard a voice in the dark
Temporary strenght
Playing house in your heart So what, you hurt me
Why did nobody change?
Ritualising
Memorising your face Love is the only reason left to live
Hey-ay, yeah-ay, yeah-aaaay
Love is the only lesson left to give
Hey-ay, yeah-ay, youuuu How did I escape?
Tunnel under the hate
Part of me is gone
Always crying on planes So what do I know?
I can't say what I've seen
Most people I know
They will tell you the same Love is the only reason left to live
Hey-ay, yeah-ay, yeah-aaaay
Love is the only lesson left to give
Hey-ay, yeah-ay, youuuu Love is the only reason left to live
Hey-ay, yeah-ay, yeah-aaaay
Love is the only lesson left to give
Hey-ay, yeah-ay, youuuu
