Advisory - the following lyrics contain explicit language:

Lonely Days
Why did I give my life to you (Oh no)
And I'm in so much pain
All the shit that you put me through Oh no no
When you shot me down I was high and flyin'
Never thought I'd be on my own
Got me straight through the heart now I'm dyin' (Dyin')
Falling all alone So can you take these broke wings
And learn to fly again I know that's what we need
Cause I can feel it in my skin
Before I fade away I know I'll love again
Oh we oh oh we oh
Oh we oh oh we oh
Oh we oh oh we oh
Oh we oh oh we oh Sleepless nights can't even dream of what could have been (Oh no)
And baby you ain't right
Want to forget the past where do I begin (Oh no no) When you shot me down I was high and flyin'
Never thought I'd be on my own
Got me straight through the heart now I'm dyin' (Dyin')
Falling all alone (Falling on my own) So can you take these broke wings
And learn to fly again I know that's what we need (I know that's what we need)
Cause I can feel it in my skin (Within my skin)
Before I fade away I know I'll love again (I know I will love again) Oh we oh oh we oh
Oh we oh oh we oh
Oh we oh oh we oh
Oh we oh oh we oh All I do is think about you, think about you
All I do is think about you, think about you
I don't wanna live without you, live without you
I don't wanna live without you So can you take these broke wings
And learn to fly again
I know that's what we need
Cause I can feel it in my skin

Before I fade away I know I'll love again
So can you take these broke wings
And learn to fly again
I know that's what we need
Cause I can feel it in my skin
Before I fade away I know I'll love again
These broken wings.
