

# Long Long Time

Earl Lee Grace

Love will abide, take things in stride  
Sounds like good advice but there's no one at my side  
And time washes clean love's wounds unseen  
That's what someone told me but I don't know what it means  
'Cause I've done everything I know  
To try and make you mine  
And I think I'm gonna love you  
For a long, long time  
Caught in my fears blinking back the tears  
I can't say you hurt me when you never let me near  
And I never drew, one response from you  
All the while you fell all over girls you never knew  
'Cause I've done everything I know  
To try and make you mine  
And I think it's gonna hurt me  
For a long, long time  
Wait for the day, you'll go away  
Knowing that you warned me  
Of the price I'd have to pay and life's full of flaws  
Who knows the cause?  
Living in the memory of a love that never was  
'Cause I've done everything I know  
To try and change your mind  
And I think I'm gonna miss you  
For a long, long time  
'Cause I've done everything I know  
To try and make you mine  
And I think I'm gonna love you  
For a long, long time
