

Justice

Josh Kelley

Justice will be served and deserved
Life is a funny, tiny game of pictures and pretty words
Broken up and trampled down to tiny bits of dust
Like a letter of love or a scar to a sports car
Justice will be served and deserved
You're so crazy, now come back
as you're lazy
Take some time to step outside the lines
Oh, where did you go? Hope you don't forget your coke
You could catch a cold just being alone
Justice will be served and deserved
Justice will be served and deserved
Oh, I got some of you're friends, they all make a real big mess
I could probably scream louder if I had a bigger chest
Start of every heartbeat is how hard you hit the drum
But I've never had fun dancing alone
Oh, I've never had fun dancing alone
Justice will be served and deserved
Justice will be served and deserved
Problem with the sunshine, you can see between the lines
Life doesn't always look the way you hope
Here I am on the phone wishing I could shoot the shit
But it appears I really do have to go
Hey man, I really do have to go
Justice will be served and deserved
Justice will be served and deserved
Justice will be served and deserved
