

Heavy Chevys

T.i.

"Heavy Chevys"
[T.I. and Big Kuntry Talking]Yeah
Yeah
Come on (Hey)
PSC, Uh
(Yall niggas) What (Yall niggas)
What Pimp Squad shortay
What you know about them
What they know?
You don't know about them
(They don't know, they don't know)
Now what you really know about them?
(What it is) Yeen know about them
(Them heavy chevys shortay)
Yeen know about them (heavy chevy shortay)
[Big Kuntry]Now how you tame a young baller
That rides Surburbans, Capris
Candy Impalas, Rasberry Monte Carlos
That barks like a rottweiler
Off the collar
Addicted to hustlin
And stackin mighty dollars
O holla
When you hear the Chevy beatin down the street
Beatin so hard
The chris is wastin on my mink seats
To get a rim posted corner
Call me 10 G's
The same as the Chevy platinum emblem on my keys
Wit the diamond against the trim
A young ass nigga wit a Louis V rim
A sporty young shorty wit the Gucci shades dim
These hoes mistaken me for being they pimp
They said baby couldn't see you pass them shiny rims
I'ma cool little daddy
Bitch i never been a simp
And if you choose a hoe you need to hop on in
And if you aint bitch you need to ride wit him
Cuz i'm pimpin

[Chorus 2x]Yeah, we ridin in them heavy Chevys, them heavy Chevys

On them D's and them Vogues

When we shinin on them hoes

Yeah, we ridin in them heavy Chevys, them heavy Chevys

Beatin hard in the park when we rollin wit the squad

[AK]Now if you heard from me

You gon feel something hot to the third degree

Coming down yo street in a black capris

Wit a fine ass freak in the passengers seat

Yall fake niggas don't know the half of me

I spit pimp game automatically

Don't be mad at me

Cuz i'm finally coming up in the industry

And the 44 singing on the triple D's

Plug not the underground celebrities

Mac Bone my partna keepin the beat

Heat it up like a cook out

When the sun falls

Yall niggas better look out

Your rap careers over

I put a hook down

Like you better pallow

Ride and swerve while my niggas follow

Hoes wobblin and start slobbin

Bobbin on the dick until they swallow

[Mac Boney]Speedometer, broken doors

Smokin body, dented windows

Tinted bended round the corner leanin

In the steamin screamin demons

Spillin liquor, yeah nigga

Blowin tall off the wall

Burning rubber leavin foul

Muthafucka how you ride

Choppin blades wit triple golds

Stay away from camilton rolls

Playa cause I'm riding old

It aint no thang to take them vogues

Jack it up, strip it down

Had the freshest car in town

Pimpin cuz I'm bout my crown

[T.I.]Hey shortay whats that knockin sound

[Chorus 2x]Yeah, we ridin in them heavy Chevys, them heavy Chevys

On them D's and them Vogues

When we shinin on them hoes

Yeah, we ridin in them heavy Chevys, them heavy Chevys
Beatin hard in the park when we rollin wit the squad
[T.I.]T.I.P and P.S is fresher than new S-S's
Triple doors and vogues shinin like some treasure chests

I got a fetish
I aint gettin in it boy unless it's
Got them little blue boxes off in the head restes
[Big Kuntry]I bet it's wood in the dash

Duel in the ass
Get an Impala
Holla watch me (skirrrt)
When I pass
I'm buryin rubber in your yard

Diggin up ya grass
Drag racin four fifty four
Thats what make it fast
[T.I.]I hit the gas
And I mash on it in a flash
Throw it in the gutter
Buy another if it crash
That's petty cash

[Big Kuntry]I parlay all day in a Cheverlay
Pearsjay wit a face bright as heavens day
I'm beatin fo' tens in the flo then
Hit the store then for some more Hen (Hey Dub)
Pull a hoe and four friends

[T.I.]Dubs still spinnin wit a gold grill in it
White leather guts
Wipe up wit ya spill in it
Still trillin out here

[Chorus 2x]Yeah, we ridin in them heavy Chevys, them heavy Chevys
On them D's and them Vogues
When we shinin on them hoes

Yeah, we ridin in them heavy Chevys, them heavy Chevys
Beatin hard in the park when we rollin wit the squad

[T.I. Talking]Yeah
T.I.P. shortay
PSC shortay
Pimp Squad
DP

Mac Boney, A-K
Big Kuntry shortay
Ya'll aint ready
We ridin in them Chevys
T.V's and DVD's in them Chevys

Come on and let the dish ride
[Music fades]
