

# Just To Be With You (Live)

## Muddy Waters

On a ship that's made of paper,  
Oh yeah, I will sail the seven seas.  
Fight a shark with a toothpick,  
Crawled home to you on my knees.  
There ain't nothin' baby I wouldn't do, sugar,  
Oh yeah baby, just to bring you home with me.

I would rise up with the devil,  
Oh yeah, I would breathe smoke and fire.  
Or say were I on a tightrope,  
Walk a canyon on a wire.  
Just to kiss your sweet lips, honey,  
Oh yeah baby you know you're my desire.

If a shark bought/bite off my leg,  
Oh baby and the sea were turned to sand.  
Turn my po' self over darlin'  
Crawl home to you on my hands.  
There ain't nothin' nothin' I wouldn't do baby,  
Oh yeah, oh yeah baby, just to be with you.

Give up all of my money,  
Whoa, oh baby, I'd sleep right down on the floor.  
Call my mother-in-law honey,  
Whoa, oh I'd work for you 'til I got sore.  
I would do anything for you baby,  
Oh yeah, oh yeah, just to get you home once more.
