

All I Need (With Beth Hirsch)

Air

All I need is a little time
To get behind this sun and cast my weight
All I need's a peace of this mind
Then I can celebrate
All in all there's something to give
All in all there's something to do
All in all there's something to live
With you...my darling
All I need is a little sign
To get behind this sun and cast this weight of mine
All I need's the place to find
And there I'll celebrate
All in all there's something to give
All in all there's something to do
All in all there's something to live
With you...my darling
