

Linda

Perry Como

Linda, Linda
Morning noon an' night I find
Linda's always on my mind When I go to sleep
I never count sheep
I count all the charms about Linda An' lately it seems
In all of my dreams
I walk with my arms about Linda But what good does it do me
For Linda doesn't know I exist
Can't help feelin' gloomy
Think of all the lovin' I've missed We pass on the street
My heart skips a beat
I say to myself, hello Linda If only she'd smile
I'd stop for a while
Then I would get to know Linda But miracles still happen
And when my lucky star begins to shine
With one luck break I'll make Linda Someday I'll betcha
I'm gonna getcha
Oh, Linda, Linda
My Linda, Linda We pass on the street
My heart skips a beat
I say to myself, hello Linda If only she'd smile
I'd stop for a while
Then I would get to know Linda But miracles still happen
And when my lucky star begins to shine
With one luck break I'll make Linda
I'll make Linda mine
