

# Menschfeind

## Diary of Dreams

4x

Menschfeind Now who are we  
in this dynasty?

Diving into

floods of emotions.4x

Menschfeind The end right here.

See black and white.

Finding answers.

We wasted their lifetime.

2x

Menschfeind

Geboren

Menschfeind

Auserkoren I'll take your place

upon that floor.

I found a stand for

endless deception.4x
