

# Say Hello, Wave Goodbye (Extended)

## Soft Cell

Standing in the door of the Pink Flamingo  
Crying in the rain  
It was a kind of so so love  
And I'm going to make sure it never Happens again  
You and I  
It had to be  
The standing joke of the year You were a sleep around  
A lost and found  
And not for me I fear  
I tried to make it work You in a cocktail skirt  
And me in a suit  
(Well it just wasn't me)  
You're used to wearing less And now you're life's a mess  
So insecure you see  
I put up with all the scenes  
And this is one scene That's going to be played my way  
Take your hands off me  
I don't belong to you, you see  
Take a look at my face For the last time  
I never knew you  
You never knew me  
Say hello Goodbye Say hello wave goodbye  
Under the deep red light  
I can see the makeup sliding down  
Hey little girl you will always make up So take off that unbecoming frown  
What about me - well  
I'll find someone  
That's not going cheap in the sales A nice little housewife  
Who'll give me a steady life  
And won't keep going off the rails  
Take your hands off me I don't belong to you, you see  
Take a look at my face  
For the last time  
I never knew you You never knew me  
Say hello Goodbye  
Say hello wave goodbye  
We've been involved For quite a while now  
And to keep you secret has been hell  
We're strangers meeting for the first time O.K.?

Just smile and say hello Say hello then wave goodbye  
Goodbye
