

# Selfdestructo Bust

## Turbonegro

Come on I ain't no architect, ain't got the intellect  
I gotta get away, my time will fade away  
I'm gonna spend it in the dust  
Yes it's true, I got a selfdestructo bust I ain't no fireman, I lost it in the can  
I gotta get away, my time will fade away  
I'm gonna spend it in the dust  
Yes it's true, I got a selfdestructo bust I got a steel machine, I got a mongo's dream  
I gotta get away, my time will fade away  
I'm gonna spend it in the dust  
Yes, it's true, I got a selfdestructo bust I gotta get away, my time will fade away  
I'm gonna spend it in the dust  
Yes, it's true, I got a selfdestructo bust  
Yes, it's true, ain't gonna ride that yellow bus  
Yes, it's true, I got a selfdestructo bust  
Selfdestructo, selfdestructo bust
