

Along for the Ride

Rita Wilson

Get off the couch and put your Ray-Bans on.
Won't need your wallet. Leave your phone at home.
The only pictures that you take will be the memories that you make. My wheels aren't shining, but they'll get us
there.
Right now don't want to hear how life's not fair.
We'll skip the lemons. And today, I'm only sipping lemonade.
Doesn't really matter where we're going.
Half the fun is all about not knowing. Whoa, oh, oh, oh, oh oh, roll the windows down.
Let your hands wave in the air and let the music play.
Whoa, oh, oh, oh, oh oh
If you don't think that we won't glide, come along for the ride. And if it rains we'll bring our own sunshine.
Cause having fun is just a state of mind.
You know you're gonna go insane if we don't get a little crazy.
Doesn't really matter where we're going.
Half the fun is all about not knowing. Whoa, oh, oh, oh, oh oh, roll the windows down.
Let your hands wave in the air and let the music blare.
Whoa, oh, oh, oh, oh oh
If you don't think that we won't fly, come along for the ride! Those plans you thought you made won't happen
anyway.
I'm standing here so what you say? Oh, oh, oh, oh oh, roll the windows down.
Let your hands wave in the air and let the music blare.
Oh, oh, oh, oh oh
If you don't think that we won't fly, come along for the ride!
Oh, oh, oh, oh oh, roll the windows down.
Let your hands wave in the air and let the music blare.
Oh, oh, oh, oh oh
If you don't think that we won't fly, come along for the ride!
Oh, oh, oh, oh oh We've got some places that we've got to see.
Oh, oh, oh oh come along for the ride.
Come along for the ride.
