Longer

Dan Fogelberg

Longer than there've been fishes in the ocean
Higher than any bird ever flew
Longer than there've been stars up in the Heavens
I've been in love with youStronger than any mountain cathedral
Truer than any tree ever grew
Deeper than any forest primeval
I am in love with youI'll bring fires in the winters
You'll send showers in the springs
We'll fly through the falls and summers
With love on our wingsThrough the years as the fire starts to mellow
Burning lines in the book of our lives
Though the binding cracks and the pages start to yellow
I'll be in love with you, I'll be in love with youLonger than there've been fishes in the ocean
Higher than any bird ever flew
Longer than there've been stars up in the Heavens
I've been in love with you, I am in love with you
