Missing You

Janet Leon

Anything you want me to
I always try to do
If loving you is a crime
Already did my time
Ever since you left that day
My hearts been locked away
Im still missing youCounting the days til Im by your side
Theres a reason Im standing here and now I know why
So deep in love with no reply
I try to keep hope alive but its so hard sometimesYou said that you would come back here for me
Im still waiting hope is fading
You promised you would come to my rescue
Im still waiting slowly breaking
Anything you want me to
I always try to do
If loving you is a crime
Already did my time
Ever since you left that day
My hearts been locked away
Im still missing youIf I knew then what I know now
I wouldnt have walked away
Wouldve turned back around
Feels like the walls are closing in
Im stuck in this prison that you put me inYou said that you would come back here for me
Im still waiting hope is fading
You promised you would come to my rescue
Im still waiting slowly breaking
I swear anything you want me to
I always try to do
If loving you is a crime
Already did my time
Ever since you left that day
My hearts been locked away
Im still missing youAll the things we used to do
Thats all I want from you
Im still missing youI made a promise and I didnt lie
Whats in my heart is written in the sky
Thought it was over but it wasnt true
Cause Im still missing youAnything you want me to

I always try to do
If loving you is a crime
Already did my time
Ever since you left that day
My hearts been locked away
Im still missing youAnything you want me to
I always try to do
If loving you is a crime
Already did my time
Ever since you left that day
My hearts been locked away
Im still missing youAll the things we used to do
Thats all I want from you
Im still missing you
Im still missing you
