I Feel You

Depeche Mode

I feel you
Your sun it shines
I feel you

Within my mindYou take me there
You take me where the kingdom comes
You take me to and lead me through
BabylonThis is the morning of our love
It's just the dawning of our loveI feel you

Your heart it sings

I feel you

The joy it bringsWhere Heaven waits
Those golden gates and back again
You take me to and lead me through
OblivionThis is the morning of our love
It's just the dawning of our loveI feel you
Your precious soul and I am whole

I feel you

Your rising sun, my kingdom comesI feel you Each move you make

I feel you

Each breath you takeWhere Angel's sing And spread their wings, my love's on high

You take me home

To glory's throne by and by This is the morning of our love

This is the dawning of our love This is the morning of our love It's just the dawning of our love
