

# Sacrifice

[Tsjuder](#)

No I don 't need a reason to be breathin, just give you what I can  
No I don 't want a family who would dare me to resent everything I am  
I don 't need to prove to all the ones who feel that I need to fit in  
No I don 't ever tell you that I failed you, I 'd rather start life over again  
No I 'm sorry to say there 'll be no sacrifice todayNow I can see it clearly why you fear me why you gotta bring  
me down  
No I don 't wanna fight you just to spite you but I 'm not afraid to take you out  
No I 'm sorry to say there 'll be no sacrifice todayEverybody expects me to break but I 'll never breakdown  
again  
Everybody expects me to give up, but you 'll never see me givin in  
Everybody wants me to lose, but I 'll never lose who I am  
No I 'm sorry to say there 'll be no sacrifice today  
No I 'm sorry to say there 'll be no sacrifice today  
Everybody expects me to break but I 'll never breakdown again  
Everybody expects me to give up, but you 'll never see me givin in  
Everybody wants me to lose, but I 'll never lose who I am  
No I 'm sorry to say there 'll be no sacrifice today  
No I 'm sorry to say there 'll be no sacrifice todayNo I 'm sorry to say there 'll be no sacrifice today  
No I 'm sorry to say there 'll be no sacrifice today
