Halo

Porcupine Tree

God is in my fingers
God is in my head
God is in the trigger
God is in the lead
God is freedom, God is truth
God is power and God is proof
God is fashion, God is fame
God gives meaning, God gives pain
You can be right like me
With God in the hole you're a righteous soul
I got a halo 'round me, I got a halo 'round me
I'm not the same as you
'Cause I've seen the light and I'm gaining in height now
I got a halo 'round me, I got a halo 'round me
I got a halo 'round my head
God is on the cellphone
God is on the net
God is in the warning
God is in the threat
God is freedom, God is truth

For God is power, God is proof
God is fashion, God is fame
God gives meaning, God gives pain
You can be right like me
With God in the hole you're a righteous soul
I got a halo 'round me, I got a halo 'round me
I'm not the same as you
'Cause I've seen the light and I'm gaining in height now
I got a halo 'round me, I got a halo 'round me
('Cause I've got a halo 'round my head)
I got a halo 'round my head
You can be like me
With God in the hole you're a righteous soul
I got a halo 'round me, I got a halo 'round me
I'm not the same as you
'Cause I've seen the light and I'm gaining in height now
I got a halo 'round me, I got a halo 'round me
I got a halo 'round my head

'Cause I've got a halo 'round my head
