

# Locomotion

## Macarena Kids Party

Across an every ocean  
For the sake of locomotion  
Across an every ocean  
For the sake of locomotion Across every ocean  
For the sake of locomotion  
But I wouldn't have a notion  
How to save my soul I walk down the sidewalk  
Run down the boardwalk  
Stop and make small talk  
But I can't say no to you I can't say no, I can't say yes  
I can't even write down my own address  
I can't touch Heaven, it's a little too far  
It's the only way to travel, got dreaming on a par I'm staring through the window  
Wonder where you are  
Moving through the landscape  
At a million miles an hour Across every nation  
From the harbor to the station  
It's a form of inspiration  
It's a power to the state They run down the railways  
Sail across the seaways  
Fly through the airways  
But they can't say no to you I can't stand up, I can't stand still  
I know you wouldn't like it if I told you how I feel  
I just want to say that it's only common sense  
But the words always fail me at my own expense I'm staring out the window  
Wonder where you are  
Moving through the landscape  
At a million miles an hour Across every ocean  
For the sake of locomotion  
But I wouldn't have a notion  
How to save my soul Across every ocean  
For the sake of locomotion  
But I wouldn't have a notion  
How to save my soul I walk down the sidewalk  
Run down the boardwalk  
Stop and make small talk  
But I can't say no to you Across an every ocean  
For the sake of locomotion  
Across an every ocean

For the sake of locomotion Across an every ocean  
For the sake of locomotion  
Across an every ocean  
For the sake of locomotion Across an every ocean  
For the sake of locomotion  
Across an every ocean  
For the sake of locomotion Across an every ocean  
For the sake of locomotion  
Across an every ocean  
For the sake of locomotion Across an every ocean  
For the sake of locomotion  
Across an every ocean  
For the sake of locomotion
