# Glamour Girl

## T-Bone Walker

Oh hey
Look at me
I'm a glamour girl
Uhh
What you see is what u get
And what you get is what you see.
Let's go;[Chorus: x4]
She's a Glamour girl,
Take me as I am
I'm just a Glamourous girl.
Glamour cause we Glamour girlsAnd I fit in size three
But if you take a look inside me
And look who I be.
Then maybe you'll see
All across seas there's a lotta little girls that
Look just like me
And I might no do no timer
But I'm something for your eyes though
I make all the boys drive slow
And one thing that I know is:[Chorus: x4]
She's a Glamour girl,
Take me as I am
I'm just a Glamourous girl.
Glaomur cause we glamour girlsNo under cover
No ilustrous winds
I am something every girl can comprehend
I know my sexy side
Can make the lowmans fly.
Pop up like haters switches
Ain't no tricks, I'm just so fly
My hair is flawless
Just like them models
Superglamouristic that is what they call us.
Ain't no describing me
I'm misses ultraly
My skins a lover colour
Stuck like melody[Chorus: x2]
She's a Glamour girl,
Take me as I am

I'm just a Glamourous girl.
Glaomur cause we glamour girlsYou can look
But you can't touch me
I know you lust me
I'm Glamorific trust me
Don't my lips look lovely?
Shout out to your haters
I congratulate ya
Don't try to degrade us
And all I gotta say is:[chrous: x4]
She's a Glamour girl,
Take me as I am
I'm just a Glamourous girl.
Glaomur cause we glamour girlsMake up
