Let's Get It On

5ive

Never knew someone could make me feel
Like you do, 'cause it's true
You got me prayin' that this love is real
All I need is you with me
'Cause there's something 'bout the way you smile I like
Something I don't know
I'd give anything to be with you tonight
'Cause I can't let go
All I wanna do is get with you
Take a little time, get next to you
Let's get it on
(Let's get it on)
Let's get it on
(Let's get it on)
All I want now is you and me
You and I are meant to be
Let's get it on
(Let's get it on)
Let's get it on
(Let's get it on)
So many times I've looked into your eyes
And all I see is the love for me
But if you took some time to realize
You could be the one for me, baby
'Cause there's something 'bout the way you smile I like
Something I don't know
I'd give anything to be with you tonight
'Cause I can't let go
All I wanna do is get with you
Take a little time, get next to you
Let's get it on
(Let's get it on)
Let's get it on
(Let's get it on)
All I want now is you and me
You and I are meant to be
Let's get it on
(Let's get it on)
Let's get it on

(Let's get it on)
You be the honey that I never could forget
And got me trippin' out, you got me thinkin' we were set
I thought that we would always be together, you and me
Remember thinking that you've got to be my destiny

Can't you see that I know that I was wrong in what I did?
But if you take me back I know that we could try again
And I'ma keep on calling, keep on hitting with my charms
Until the day you finally take me back into your arms
Take it back now
'Cause there's something 'bout the way you smile I like
Something I don't know
I'd give anything to be with you tonight
'Cause I can't let go
All I wanna do is get with you
Take a little time, get next to you
Let's get it on
(Let's get it on)
Let's get it on
(Let's get it on)
All I want now is you and me
You and I are meant to be
Let's get it on
(Let's get it on)
Let's get it on
(Let's get it on)
All I wanna do is get with you
Take a little time, get next to you
Let's get it on
(Let's get it on)
Let's get it on
(And get it on from me)
All I want now is you and me
You and I are meant to be
Let's get it on
(Let's get it on)
Let's get it on
(Let's get it on)
You be the honey that I never could forget
And got me trippin' out, you got me thinkin' we were set
I thought that we would always be together, you and me
Remember thinking that you've got to be my destiny
Can't you see that I know that I was wrong in what I did?
But if you take me back I know that we could try again

And I'ma keep on calling, keep on hitting with my charms
Until the day you finally take me back into your arms
Take it back now
