

# The More You Ignore Me, The Closer I Get

[Morrissey](#)

The more you ignore me, the closer I get  
You're wasting your time  
The more you ignore me, the closer I get  
You're wasting your time I will be in the bar with my head on the bar  
I am now a central part of your mind's landscape  
Whether you care or do not  
Yeah, I've made up your mind The more you ignore me, the closer I get  
You're wasting your time  
The more you ignore me, the closer I get  
You're wasting your time Beware, I bear more grudges than lonely high court judges  
When you sleep, I will creep into your thoughts like a bad debt  
That you can't pay, take the easy way and give in  
Yeah, and let me in, oh let me in, oh let me in It's war, it's war, it's war, it's war, it's war  
War, war, war, war Oh, let me in, oh, the closer I get  
Ah, you're asking for it  
Ah, the closer I get  
Oh, the closer I
