

I Don't Have to Crawl

[Rosanne Cash](#)

Written By: Rodney Crowell

You look at me

As if you don't know me

You talk to me

Like you've never met me Well, I could leave you alone if I tried

If I tried I could tell you goodbye

If I wanted to I could be long gone

I don't have to play nobody's fool

And I won't make no exception of you

I Don't Have To Crawl

I can just walk away You call on me

As if I should run to you

You make a move as if I should follow you

Well I don't have to get down on my knees

I will not be a peasant to please you

I Don't Have To Crawl

I can just walk away

I Don't Have To Crawl

I Don't Have To Crawl
