Lamplight

Lewis Watson

You mirror gaze while I decide
The moment you were deified
You turn as if your mind replies
If your devout is unsurmountable
Chorus
These scattered flashes of delight
They can't help but sway your mind
Never really put me right
The words we said by dim lamplight
Bodies cold and intertwined
I feel the spirit

I feel the...
Chorus
These scattered flashes of delight
They can't help but sway your mind
These scattered flashes of delight
They can't help but sway your mind
(Breakdown)
Chorus
These scattered flashes of delight
Can't help but sway your mind
