

E Mau Ke Aloha

E Mau Ke Aloha

Auhea wale ana 'oe einei
I ka leo hone i kou mana'o
He lei wehi 'oe i ka'u 'ike
E mau ke aloha, e mau
E mau ke aloha, e mau

Oh, pretty women I see you everyday,
Who'd have thought you'd steal my heart away,
I know that I'm your man,
When we're walking hand in hand,
Well it's love, love, love that makes it all right.
Well it's love, love, love that makes it all right.

Oh, pretty women it's been such a long, long time,
Can you remember the days of roses and wine?
Now on every anniversary day,
You know my hearts still seem to say,
It's love, it's love, it's love that makes it all right.
You know that it's love, it's love, it's love that makes it all right.

Auhea wale ana 'oe einei
I ka leo hone i kou mana'o
He lei wehi 'oe i ka'u 'ike
E mau ke aloha, e mau
Well it's love, it's love, it's love that makes it all right.
Well it's love, love, love that makes it all right.
