

Set the World On Fire

Black Veil Brides

Saints born together to fight against their holy fables
The streets are where we pray

Hymns for the lonely, wretched, and forgotten
The feeling in our hearts won't ever fade away

We stand tall (united)
Watch them fall (divided)
Break the chains and now we'll show them all (fight)

Fight for all you know
When your backs against the wall
Stand against the liars

Stronger than before
When your life becomes a war
Set The World On Fire

Sing out united against the ones you left in hatred,
our message of today

Like children crying when all they knew was dying
And we will raise our flags up its time for them to pay

We stand tall (united)
Watch them fall (divided)
Break the chains and now we'll show them all (fight)

Fight for all you know
When your backs against the wall
Stand against the liars

Stronger than before
When your life becomes a war
Set The World On Fire

Woah oh?
So sing it loud you hold the key
Woah oh...
We're the rebels and we're free

Woah oh?
Its time to burn all that you see
Woah oh...
Now the world belongs to me

Fight for all you know
When your backs against the wall
Stand against the liars

Stronger than before
When your life becomes a war
Set The World On Fire

Proud in all you are
Showing every scar
As your badge of honor

When you can't take anymore
Of what they're living for
Set The World On Fire
