Babies

Pascal Pinon

Lift ourselves up from the ground
Let wings grow into our backs
As if we're angels
In the cold air of heaven
We're flying to, we fall downThrow ourselves into the deep sea
Let fish-tails grow onto our bodies
Swim like seals in the cold ocean and
Feel safe 'cause there we can't fall down
Lower ourselves down
From the sky, and onto the earth
Let arms grow out of our bodies
As if we're babiesLift ourselves up from the ground
Let wings grow into our backs
As if we're angels
In the cold air of heaven
We're flying to, we fall down
Throw ourselves into the deep sea
Let fish-tails grow onto our bodies
Swim like seals in the cold ocean and
Feel safe 'cause there we can't fall down
