Racist Friend

The Specials

If you have a racist friend
Now is the time, now is the time for your friendship to end

Be it your sister
Be it your brother
Be it your cousin or your, uncle or your lover

If you have a racist friend
now is the time, now is the time for your friendship to end

Be it your best friend
Or any other
Is it your husband or your father or your mother?

Tell them to change their views
Or change their friends
Now is the time, now is the time, for your friendship to end

So if you know a racist who thinks he is your friend
Now is the time, now is the time for your friendship to end

Call yourself my friend?
Now is the time to make up your mind, don't try to pretend

Be it your sister
Be it your brother
Be it your cousin or your uncle or your lover

So if you are a racist
Our friendship has got to end
And if your friends are racists don't pretend to be my friend

So if you have a racist friend
Now is the time, now is the time for our friendship to end

Goodbye
