

# If I Hadn't Called You Back

Bobby "Blue" Bland

Well, uh, where would you be, yeah  
If you'd kept on walking?  
Oh, where would you be  
If I'd stopped talking? If I hadn't said those words  
And if you hadn't heard  
When I said  
"I'm sorry, please forgive me" Would you be happy?  
Would you be crying?  
Would you be crying, a while  
Or would you be sad? Where would you be  
I say right now, Lord  
If I hadn't called you back? Well, uh, where would you be, yeah  
If you'd kept on walking?  
Ooh, where would you be right now  
If I's stopped talking? I only know I need you so  
I wonder why do you want to go  
After I've said  
"I'm sorry, please forgive me" I want to know, I want to know  
Would you be happy?  
Would you be crying, would you be crying  
Or would you be sad? I said I wanna know, I wanna know  
Where would you be right now  
Lord, if I hadn't called you back?
