

# Scared to Lose

## The Early November

Can I say I miss you for lack to obtain.  
Oh just a few good reasons to keep this interesting,  
But again I lack in social skills.  
So can I say I need you for planning my next trip.  
Oh on a guilt vacation. I feel sorry for it. But again, it's not the first time thought i was losing what was mine.  
I won't wait for a reason,  
I'm taking over and back what is mine.  
I won't wait forever. Can I say I want you. it's a quarter to ten.  
For so many reasons, I hate to turn to this. But again, it's not the first time thought i was losing what was mine.  
I won't wait for a reason,  
I'm taking over and back what is mine.  
I won't wait forever.
