## Jeremy P. Caulfield

Tell me a secret, I'll tell you mine  
Tell me about desires you hide inside  
There is so much that we should've done  
I was insecure but now I'm strong  
Diving whatever it may take I keep on trying  
    Diving into you, diving  
    Knowing it was you, I keep on trying  
    Diving into you, diving into you  
    Oh I'm diving, into the blue  
    We are rising celebrate the night  
It was you who showed me how to fly  
Diving whatever it may take I keep on trying  
    Diving into you, diving  
    Knowing it was you, I keep on trying  
    Diving into you  
    Diving whatever it may take I keep on trying  
        Diving into you, diving  
        Knowing it was you, I keep on trying  
        Diving into you
