

Solemn Swears

Shabazz Palaces

I bank in France like Jack Palance
I don't eat pork like Mr. Roarke
I make them dance just at a glance I set the tone like Al Capone I bank in France like Jack Palance
I don't eat pork like Mr. Roarke
I make them dance just at a glance Just at a glance I'm very nice like Jerry Rice
I make them dance just at a glance
I don't eat pork like Mr. Roarke I'm coming up like Donald Duck I scream and yell like Samuel L
I'm often on like Chaka Khan
At a glance
