

Love and Sex

Prince

One, two, three, four
Yeah!
Uh
Come on, baby, hurt me
UhWhen we both die
And go to heaven
Will you still desire me
Or will He make you fire me
Will He let you hurt me in the upper roomLet me say now
Sha la la la sha la la boom
Come on, baby, hurt me in the upper room
Sha la la la sha la la boom
Love and sex in the upper room
Alright
Hit me
Ow
Huh
TwoWhen we both cry
And want each other
Will you still resist me
Or will you come and kiss me
How am I supposed to sleep
Without you in my armsKeep singin'
Sha la la la sha la la boom
Come on, baby, hurt me in the upper room
Sha la la la sha la la boom
Love and sex in the upper room
Get low
Boom boom sha la boom
Not too sad, too sad, happy too happy
Just one single sexy glance or two
That's what kind of party is the cool
Sha la la boom
I put on my Sunday best
(His clothes is so sharp)
Sha boomWhen we all die
And go to heaven
Will He let us fantasize
Is there some new cool surprise?

Let's all try to come together before we go Keep singin'

Sha la la la sha la la boom
