

Anyone's Ghost

The National

Say you stayed home
Alone with the flu
Find out from friends
That wasn't trueGo out at night
With your headphones on again
And walk through
The Manhattan valleys of the deadDidn't want to be your ghost
Didn't want to be anyone's ghost
Didn't want to be your ghost
Didn't want to be anyone's ghostBut I don't want anybody else
I don't want anybody elseYou said I came close
As anyone's come
To live underwater
For more than a monthYou said it was not inside my heart, it was
You said it should tear a kid apart, it doesDidn't want to be your ghost
Didn't want to be anyone's ghost
Didn't want to be your ghost
Didn't want to be anyone's ghostBut I don't want anybody else
I don't want anybody else
I don't want anybody else
I don't want anybody elseI had a hole in the middle
Where the lightning went through it
Told my friends not to worry
I had a hole in the middle
Someone's sideshow wouldn't do it
I told my friends not to worryDidn't want to be your ghost
Didn't want to be anyone's ghost
Didn't want to be your ghost
Didn't want to be anyone's ghost
