

Blue Umbrella

[Charlie Landsborough](#)

Feelings are strange Especially when they come true
And I got a feeling that you'd be leaving soon
So I tried to rearrange on my emotion
But it seem to say no matter what I do Blue umbrella rest on my shoulder
Hiding the pain while the rain mixed up my mind
My feet wet for thinking this thing over
And it's been so long since I felt the Warm sunshine
Just give me one good reason and I promise I won't ask for any more
Just give me one extra season so I can figure out the other far
Music. Daytime makes me wonder why you left me
Nighttime makes me wonder what I said
Next time are the words I'd like to plan on
Last time was the only thing we'd said
